September 22, 2010

On November 12th, Los Angeles' Theatre of NOTE will hold its fifth annual benefit poker tournament to celebrate our past and to fund our future. We expect to draw well over 200 people to the tournament this year due to our huge success in past.

Theatre of NOTE is celebrating 29 years of providing a creative environment for ensemble theatre artists to collaborate on cutting-edge theatrical pieces, as well as involvement in youth outreach programs such as its prestigious *Young Writers Project*. As a not-for-profit theatre with 501(c)(3) status, NOTE is dedicated to producing original plays. Our work has been consistently recognized by Los Angeles area theatre press and organizations and has twice been spotlighted in the magazine *American Theatre*.

We would never be able to reach our goals without help from people like you. We would like to invite you to participate in the **Theatre of NOTE (Fifth Annual) Texas Hold 'em Fundraiser** at The Woman's Club of Hollywood. We are looking for corporate sponsors, table sponsors, as well as prize and food donations.
