### A Salon Fundraiser is...

...a small gathering of your friends, colleagues and patrons, coming together for a lovely wine and cheese event hosted at your home, gallery, studio or business. You invite your guests to this private evening of entertainment so we can introduce our theatre company. After sharing our choice of performance based around our current production, we hope your group will have the inclination to contribute a tax-deductible donation toward making our theatre in Hollywood a stronger place to bring entertaining, provocative, and revelatory works to the stage.

### You will...

...put together your list of 30-40 guests for the event, and offer a space for the evening. If you choose to do more than that, we encourage it however we truly want the simple opportunity to entertain through performance, and through an engaging evening with you and your guests.

### Theatre of NOTE will...

...provide the wine and cheese, entertainment, and the image/details to invite your guests via email to join us for the event.

### Our Goals Include...

- Introducing you and your guests to our theatre company
- Create an interest in supporting theatre in Los Angeles
- Create an awareness of funding needs for our company, and
- Encourage tax-deductible contributions through this evening's event
